

1954 Corvette: Service Bulletin: Production and Service 1954 Piston Rings

Subject: Production and Service 1954 Piston Rings

Model and Year: 1954 Chevrolets

Source: Chevrolet Technical Service Bulletin

Bulletin No: DR-171

Section: VI

Date: May 28, 1954

TO: ALL CHEVROLET DEALERS

In order to simplify the identification of 1954 Piston Rings, both Service and Production, with respect to changes since beginning 1954 and different types used between production and service, the following information has been incorporated in a chart.

- Chart on page 2 identifies and illustrates the 1954 Service Piston Rings.
- Chart on page 3 identifies and illustrates various piston rings used in 1954 production.

E.L. Harrig
Manager, Service and Mechanical Department
