

1954 - 1955 Corvette: Zone Letter: Foot Operated Windshield Washer

Subject: Foot Operated Windshield Washer
Model and Year: 1954 - 1955 Passenger Car
Source: Chevrolet Dealer Zone Letter
Zone: Wchita, Kansas
Date: December 8, 1954

TO: ALL CHEVROLET DEALER S

The note and sketch reproduced below has been received from the Engineering Department, indicating a better installation of FOOT OPERATED WINDSHIELD WASHERS. This is for your information.

NOTE: A revised location for the foot pump on the toe board has been established. mount the pump at an angle so the interconnecting Bowden cable takes the shortest route.
