

1956 Corvette: Production Information: Two-Tone Paint Combinations

Subject: Two-Tone Paint Combinations

Model and Year: 1956 Corvette

Source: Milwaukee Zone Letter

Date: March 28, 1956

TO: ALL CHEVROLET DEALERS

This is to advise that there is now available two-tone paint combinations on our Corvette models. We are listing below these combinations:

PAINT AND TRIM COMBINATIONS

<u>Two-Tone Exterior Color</u>	<u>Interior Trim</u>	<u>Top</u>
440-A Onyx Black/Silver	Red	Std. Black or 470-E White
440-b Aztec Copper/Beige	Red	470-E White or 470-F Beige
440-C Cascade Green/Beige	Red	470-E White or 470-F Beige
440-E Venetian Red/Beige	Red	470-E White or 470-F Beige
440-F Polo White/Silver	Red	Std. Black or 470-E White
440-G Arctic Blue/Silver	Red	470-E White or 470-F Beige

In the application of two-toning indication above, the first color shown indicates the body color and the second designates the color of the side panel depression.

Very truly yours,

W.R. McClean
