

1984 Corvette: Service News: Revised Body Paint Plate Information Location

Model Year: 1984

Subject: Revised body Paint Plate Information Location

Source: Chevrolet Service News

Number: 2, Volume 56, Page 3

Date: March/April 1984

The Body Paint Plate identifying paint and trim information has been removed from production vehicles. This information has been transferred to the Service Parts Identification Label that is located under the rear compartment cover as show on Page 0A-12 of the 1984 Corvette Shop Manual (ST-364-84).

Please make a note of this change in your copy of the Shop Manual.
